

KING'S DAY 2023

KING'S DAY - APRIL 29 2023

Taste of Dutch Glory

Do you remember your Dutch childhood where there was no play-station, no mobile phone and you were playing outside and having fun with old fashioned Dutch games like “zaklopen”, “touwtrekken” and “snoephappen”?

And do you remember listening to either Andre Hazes, Guus Meeuwis, Rob de Nijs, The Dolly Dots, and Paul de Leeuw while enjoying a herring or burning your mouth on a “bitterbal” accompanied by a beer or a good glass of wine?

Yes, it's almost King's Day. Time to relive or get to know this Taste of Dutch Glory. Join us on Saturday April 29, 2023, in orange with the whole family and/or guests and enjoy a nice Saturday afternoon amongst old and new friends.

Do you feel like adding to the festivities and participate in a Dutch delicacy pot-luck? Make your favorite dish, dessert, treat and take a chance to show off and **WIN!** Upon signing up, please let us know what you're planning to bring (if you don't know yet: surprise us).
